

## MIAMI VALLEY DANCE COUNCIL HONOR ROLL DANCERS 2017 FRED and TERRI ORGAN

Terri and I love both squares and round dancing, it has brought us to many close friends. In the early years, my parents were still dancing and our sons James and Paul also learned to dance, and have raids showing on the wall, so for a while we had 3 generations dancing in a square.

This has taken us places we would not have gone, like dancing in the Caribbean on and off of 3 different cruise ships, many long weekends like March into Spring, Turkey Strut, Brown County, more than a few local parades and demos to drum up new students and then being angels at lessons for them for 20 years.

The honor has been ours already just to be part of the fun activity filled with great people and we have worked hard to keep it alive, we also work hard to keep our home club running smooth if we are in office or not.

Dancing brings us great joy and we love to share it with others.
